When it comes to handling bulk loads, nobody does it better than IFB !

Built to minimise environmental impact and reduce turnaround time.

Make light work of the bulk!

- Intuitive programs and technologies
- Maximise hygiene by automating the process of washing laundry
- Short turnaround time that help enable labour efficient operational practices
- 24x7 support for low downtime
- Customised to your requirements
- Certified state-of-the-art manufacturing
- Germ, dirt and stain removal solutions

IFB is India's leading commercial dishwashing company

- 100% germ free dishes and glasses
- Washes more than 2,000 plates an hour
- Patented technologies ensure sustainable dishwashing, enabling savings of water, energy and detergent
- Uses 1/3 less manpower
- Dishwashing solution for all types and sizes of glasses, dishes and utensils
