

Western Refrigeration Private Limited

LARGEST MANUFACTURER OF COMMERCIAL COOLERS IN INDIA
A PROUD LEGACY OF 50 YEARS OF EXCELLENCE

Western Ice Machine

Western Refrigeration Pvt. Ltd., India's leading commercial refrigeration manufacturer, proudly presents its advanced range of Ice Making Machines — built to meet the growing demand for hygienic, consistent, and energy-efficient ice production in India's harsh tropical conditions.

Whether it's for restaurants, bars, cafes, hotels, or healthcare facilities, Western Ice Machines deliver:

- Reliable daily output with robust engineering
- Food-grade stainless steel interiors for maximum hygiene
- Eco-friendly refrigerants and energy-efficient cooling systems
- Compact designs suited for modern commercial spaces
- Nationwide service support with 238+ franchise locations

Engineered for performance. Backed by trust. Made for India.

Unique Selling Proposition (USP)

- **Engineered for Indian Conditions** – Built to deliver consistent ice output even in high-ambient, humid environments
- **Hygienic Ice Production** – Food-grade stainless steel contact parts ensure safe, clean ice every time
- **Energy-Efficient Cooling** – Uses eco-friendly refrigerants and optimized compressors for low power consumption
- **Compact & Modular Design** – Designed to fit seamlessly into space-constrained commercial kitchens and cafés
- **Certified Quality** – Manufactured with globally benchmarked standards and stringent quality checks
- **In-House R&D & Manufacturing** – Ensures faster innovation, tailored products, and better reliability

Our expansive network of **238+ franchise locations**, supported by **200+ skilled technicians**, ensures dependable service across all major markets
